

Dear Friends,

Each year a candle lighting service is held inside the chapel at Saint Luke's Hospital of Kansas City in December on the Worldwide Candle Lighting day of recognition to commemorate our littlest loved ones. We would like to extend an invitation to you, your family and friends to join us to help celebrate and remember the loved ones that you have lost.

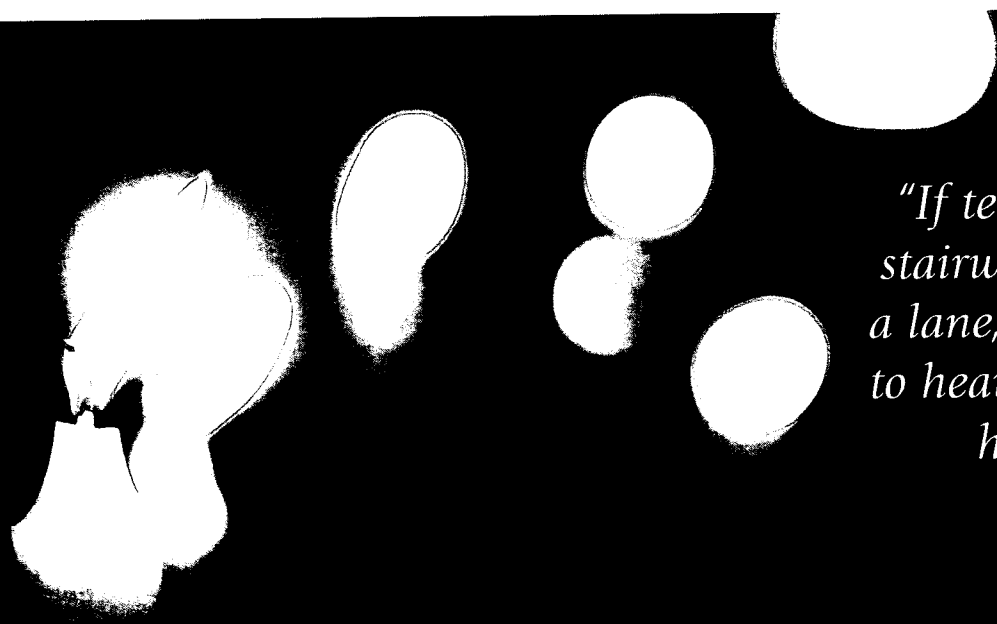

Enclosed is the formal invitation for the candle lighting service, which will begin at 7pm on Sunday, December 9th at the chapel at Saint Luke's Hospital of Kansas City. This service is intended to unite family and friends around the globe in lighting candles to honor and remember children who have died at any age from any cause. There will be short program and all participants will receive a remembrance candle.

If attending the service in person is not an option for you or your family, consider participating by simply lighting your own personal candle at home at 7:00 pm on December 9th.

We invite you to call with any questions regarding this event. We look forward to spending the evening with you.

Sincerely,

Breanne Bradley, RNC IV
Infant Loss and Grief Support Team
Saint Luke's Hospital of Kansas City
(816) 932-0254

*"If tears could build a
stairway and memories
a lane, I'd walk right up
to heaven and bring you
home again."*

Please join us as we let the light of those
children who have died shine on

**Worldwide Candle Lighting Service
for Children who have Died
Dec. 9, 2012 - 7 p.m.
The Chapel - Saint Luke's Hospital**

The Worldwide Candle Lighting is held for one hour
every second Sunday in December, uniting families and friends
to remember children around the globe who have died.

If you are unable to attend, we encourage you
to participate at home by lighting a candle
at 7 p.m. on December 9, 2012.
